

# Thomson Homes - Development Proposals for Powmill Community Engagement Event

**Moubray Hall, Powmill  
Monday 4th October**

Community Event Times:  
**1.30pm to 4.30pm OR 6.00pm to 9.00pm**

**Thomson Homes wishes to invite all members of the Powmill community to attend an event to share ideas and discuss proposals for Powmill.**

This community engagement event will allow you to share your expectations for what the future holds for Powmill.

Thomson Homes, supported by Geddes Consulting, will run an interactive workshop at this event to understand what the development process can achieve. The event is designed to build consensus on the way forward.

Invitations will also be sent to each community member closer to the event.

**Refreshments will be available at both events.**
